 I've been knowing you. Even though

Life is no more but this,
A quiet breath,
A stirring or a weeping and a sigh,
Snow-feathered cloud with wings, a
misty sky.

Aware of you,
I wanted you to be aware of me;
Trying to catch your eyes in mine,
To hold them or to wrap them in a
smile.

The darkened sun in heat to shine no
more,
Falling in golden rain upon the sea,
Crystal waterfall and roaring river,
There we climbed in sun together.

Things worked out;
they found their
proper places,
Like rows of jars and
bottles on the
shelf,
Though empty, each
had learned to
stack itself.
And all the names
lined up with all
the faces.

Written dull and weary are my
days,
Meaningless, in struggle with no
time,
Without words, my life a
pantomime.

Time and distance have their own chill
voices

Call me again in a year or two
I'll be home and I'll be home

Stone fortress strong of Lancelot's
red knights,
Up on the balcony my secret eyes
have seen
The magic that all music has to
mean

As question of a memory arose,
We did not sigh for what life should
have been to us, or was.
There is too much in all the world to
eat.
The tasting is alone impossible.

wish that I could be where my mind
flies,
Away from pain and cold and dark
clouds here,
wish the clouded air would all wash
clear,
Ideas soar in your blue-eyed skies.

times
Our wishes still not granted by the time
Around the dreams our tired souls can wind

Strand of sunshine or a flight through
rain-washed smile memories.
The stirring of a half-forgotten word,
Cherishing crystal droplets and their
memories of night

Whispering forests in moon-land, mountain peaks
 A flowing river iced in northern rain
 Snow glacier fed,
 And nightwind in the silence of the snow.

Loneliness, a feeling I have
known,
So many people I could never
be
Though in the dark, I know
I can still see,
Love and understanding each
have grown.

Shaded darkness sharing whispered
energy of night
Electric questions, cousin secrets
Flash of human wire

EXTRAVAGANZA

Extravaganza has happened again! This is the time of year when Fairview's choirs and bands pool their talents and put on an exciting night of music. There was also a sneak preview of the fall musical, "Oklahoma!". The department does this to give our folks an idea of what's stirring in the Fine Arts Department. The one-act plays, "Hello Out There", "Shall We Join the Ladies?" and "Bench 18", served as a final exam for the students who acted in and directed them. Lighting, costume, and make-up crews were comprised of the actors themselves, making this a completely student-run production

Mathematique

Math is a popular subject with 80% of all students enrolled in a math course. Geometry and Algebra are common courses, but there is a wide variety including Consumer Math, Computer Programming and Calculus.

There are thirteen math teachers this year with Mr. Scheppers serving as Department Head for his first year. Mr. Chambers, the principal, added a new dimension for many students this year with his teaching of an Algebra II class.

by Substitution;

$$f(a+h, b+k) - f(a, b) = \frac{1}{2}(h^2 f_{xx} + 2hkf_{xy} + k^2 f_{yy})$$

$$h^2 f_{xx} + 2hkf_{xy} + k^2 f_{yy} = f_{xx}[h^2 + 2hk \frac{f_{xy}}{f_{xx}} + (\frac{f_{yy}}{f_{xx}})^2] + (k \frac{f_{yy}}{f_{xx}})^2 - (k \frac{f_{xy}}{f_{xx}})^2$$

$$f(a+h, b+k) - f(a, b) = \frac{f_{xx}}{2} [(h + \frac{f_{xy}}{f_{xx}} k)^2 + \frac{f_{yy}^2 - f_{xy}^2}{f_{xx}^2} k^2]$$

Science is man's key to the universe—or so many believe. Fairview's science department offers many courses including Biology, Chemistry, Physics, Geology, Science Topics, Astronomy, and so on. Advanced classes are offered in most of these areas allowing students to meet their interests.

Commerce

This year the Business Department, headed by Mr. Diekhoff, offered over seventeen business courses to students. They were Typing I, II, & III, Recordkeeping, Business Law, Business Communications, Accounting, Shorthand, Stenoscrypt, Introduction to Business, Business Management, Office Simulations, On-The-Job-Training, Personal Money Management, Marketing, and Dictation and Transcription

You mean we have to know the fifty states?

Historie

What do Napoleon, Freud, Marx, Mead, and Idi Amin have in common? They are all studied in the social studies department, of course! Such exciting facts are presented, like the personal recycling program utilized by the Indian Prime Minister, and the fact that Pavlov's dogs are almost as famous as Lassie! In spite of all of these interesting facts, we always must remember, "... at Waterloo, Napoleon did surrender. Oh yes, and I have met my destiny in quite a similar way. The history book on the shelf is always repeating itself!"

Rhetoric

From Romeo and Juliet, to Ras-kolnikov and Sonia, the English department offers a wide diversity of classes. Student interest in the classics is rising steadily each year. More popular authors include Twain, Camus, Steinbeck, Dostoyevsky, Shakespeare, Homer, . . . the list is endless

Media courses offer an alternative to novel reading. Journalism, Mass Media, Film Study, etc., include activities such as publishing the weekly newspaper THE ROYAL BANNER, viewing oldies but goodies and listening to such things as THE WAR OF THE WORLDS

Eventually, all Fairview students get a taste of some sort of grammar class. Usually this begins in Language Development and ends in Composition For College Bound. Whatever area a student might be interested in, this department can most likely provide instruction in it

Lance

How did we get talked into this?

The Yearbook class proved once again to be an unpredictably rewarding way to spend a third hour. From 2520 donuts to lost negatives and looming deadlines, there was never a dull moment. Along with a new and vivacious advisor, Ms. Polly Palmer, the Lance also had section editors this year. Chris Ansley was responsible for the classes section; Kevin Murphy had activities; Tony Brock was editor for academics; George Smith had the sports section, Yvonne Voshel had faculty; and Donna Williams was the continuity editor. In addition, this year there was actually an abundance of photographers, developers, and printers to help make the process of getting good pictures to the editors much easier. Linda Allen did a great job as Editor-in-Chief (Editor-and-Chef) even though she still is not sure how she got conned into it!

Foreign Tongues

French, Spanish, German, Latin and Russian were offered by the Foreign Language department this year. A large number of students studied a language, with sixteen pupils taking two languages. Various festivities, such as potluck dinners and "Oktoberfest", gave students a feel for the different cultures. Greek is also offered as independent study.

Hearth Management

The Home Economics department is a relaxed, inviting atmosphere, where students can learn how to prepare for their family life and social roles in classes from Child Development to Consumerism. Students can take training for employment or pursue interests for a professional career in classes from Dress Design, to Creative Needle Arts, to Foods. But most importantly, Home Economics is where students can let their creativity flow.

Arte

The Art department is normally "lost in the shuffle" when considering Fairview academics, but for those who find it, the art department is the source for a hurricane of imagination. The department is headed by two teachers, George Davis and Charlene Hartenstein, whose remarkable styles leave motivation up to the students. Mr. Davis and Mrs. Hartenstein go out of their way to teach more than just "how to", by also teaching an aesthetic appreciation for art.

Communications

Communications classes learn the hustle

Got ya?

Ms. Majors is the head of the Fine Arts Department at Fairview this year. Besides music and art, the drama, film study, communication and media classes are all part of the department. Students learn how to communicate better with others and thus become more effective members of society

Driver's Education was the most expensive class available at Fairview this year, but most students and parents felt that it paid off by lowering insurance rates and developing safer driving habits. Many students claim that they take Driver's Ed just to see the "award winning" movies that are shown!

Apprenticeship

Vo-Tech provides an alternative for juniors and seniors who would rather spend some of their academic time preparing for a job after high school instead of college. All of the classes prepare the students for job entry capabilities in a specific trade. Vo-Tech has a very good reputation for helping its graduates find good jobs

These dynamic courses include: Fitness, Ski Conditioning, Weight Training, Bowling, Horsemanship, Ice Skating, Social Dance, Basic Movement, Dance 1, Dance Techniques, Dance 2, Archery, Golf, Tennis, Track and Field, Badminton, Team Sports, Field Sports, Field Hockey, Soccer, Softball, Basketball, Fly Tying, and Cycling. Symphonic Band played some pretty, well . . . "interesting" music, and when concert time rolled around, Mr. Jeffrey went into a panic. It's the 'cool heads' of the first chair players that keep each section in line. They had a good season despite a few kinks they couldn't quite work out

Apprentice Musicians

Stage Band II, directed by Mr. Bob Jeffrey, was a fantastic group of young musicians whose success was not debatable! Their performances were many and included Extravaganza, the Jazz Program with the Denver Kicks Band, The Jazz-Rock Concert, the Golden Jazz Festival, and the Jazz Band Concert. These people don't play burned-out, soggy music; they really get people moving! The tremendous energy they devoted to perfection as a group was shown by the great applause they received

Mr. "J" is having second thoughts!

Jim Gary has the music in him!

Stage Band I, directed by Mr. Vince Gnojek, is one of the top groups of instrumental performers at Fairview. The band consists of mostly seniors, yet membership is determined by auditions. Their numerous performances included the Jazz-Rock Concert, the Pops Festival, and the Spring Jazz Concert. They also attended other group performances at other schools. During the year, this band received several awards at various Jazz Festivals throughout the state.

As far as education goes, emphasis is placed on a great variety of jazz and rock musical styles such as Louis Armstrong, Miles Davis, the Rolling Stones, and Jimi Hendricks.

Age of Guinevere is a large treble choir directed by Ron Revier. The newly-dubbed Court of Charlemagne is a smaller treble choir directed by Jim Keller. Both performed a wide variety of tunes including popular classical, humorous and just plain fun music!

Yes, I really do have 2 left arms!

Yeah, he took mine

Chivalry, an all male choir, was a guest at the Westminster High School Choral Festival in addition to participating in the four regular FHS concerts throughout the year. This extra-curricular choir was directed by Ron Revier

Madrigals, another non-credit, extra-curricular choir, participated in this year's annual C U. Madrigal Festival. Directed by Jim Keller, they added a candlelit touch to their performances in the Holiday, Winter and Spring concerts, as well as specializing in music from the Renaissance era

All State is a great deal of fun. It is a chance to get acquainted with other musicians and singers. The Choir went to Pueblo College, stayed for three days, practiced, and then had a performance. The band students went to Greeley, practiced Friday and Saturday, and performed Saturday night.

Fairview's outstanding football team of 1977 finished off a very successful season achieving a co-championship of the Centennial League, taking second place in the state, and having an overall record of 12-2.

During the season, three players broke the school and or state record for their position; Jim Pollard for passing, Jeff Raikes for receiving and Dennis Hamlin for rushing.

Congratulations to the team of 1977 for a valiant effort and a super year of exciting football!

It proved to be a successful season for the "Baby Knights", with their defeating the two teams they had wanted most to beat Boulder and Cherry Creek. Recording only one loss, to Smoky Hill, and one tie, to Hinkely, the sophomores ended with a 6-1-1 record. This placed them second in the Centennial League

This year coach Roger Briggs was working with the best cross country team Fairview has ever had. The team took 8th place in the state meet, and always finished in the top third at all of their meets, usually competing against 20 to 30 teams at once.

Mike Sullivan, one of the most promising runners in the state, had a three-mile time of 15:34. Matt Kamper, Chris Dacey, Jim Irwin and Greg Ponsford were all under 17:00. With a record like that and all of his varsity runners returning in '78, coach Briggs expects to have the fastest team in the state next year.

"We're going to State with the attitude that we can win it," said George Hoos, the coach of this year's golf team. With the four State contenders (Matt English, Bob Haney, Eric Hoos, and Bill Krumeich), '77-'78 was a big year for the Knights of the links

A Gymnast's Life

The life of a gymnast is really tough; you can tell, for her hands are rough. Only a gymnast knows how it feels to win a meet or bruise her heels. 'Cause your muscles are so big, the boys always tease you; you did a full twist—your coach won't believe you. You must work on your routines night and day, and listen to your coach repeatedly say, "Straighten your toes! Don't look down on that pose. You haven't been doing your splits every night . . . I can tell—you're way too tight. You're so weak today; what's wrong with you? You can't stay on the bars; do you have the flu?" A gymnast's life sounds like pain all the time, but the life of a gymnast is really sublime! Though this life is tough, it's really not rare to tell a gymnast by the smile she'll wear!

Amy Barnes - State Champion

These courageous girls did much more than just dog paddle for head coach Rich Kleine; led by Luann Bjorklund, Jodee Munn, and Amy Barnes, the team successfully represented Fairview High School not only in the Centennial League, but in the state meet as well

This year's varsity tennis team was severely handicapped by the ineligibility of their number one singles player, Steve Kaczeus, for the first five matches. The team worked hard to overcome this handicap and ended up with a 3-5-2 record. They finished sixth in the district and ninth in the state. The number two singles player was John Stevenson, backed up by Jack Barth in the number three position. The doubles team was headed by Dave Hennes and Jamie Patterson, with two sophomores, Tim Green and Lyndon Muller, in the number two spot. Steve Linfield and Bill Gaylord were the number three doubles players and placed second in the state. Chris Stamets and Roger Ross also played number three doubles. The J.V. team was very proud of their 5-0-1 record and are looking forward to an even better season next year.

Excitement mounted this year, as the FHS girls' basketball team rolled up victory after victory. Senior Sonya Hardy thrilled the spectators by an average of over 15 points per game. Aggressive offense plus a strong defense helped the team from a weak start to a strong finish. Scoring from Sonya Hardy, Dawn Harrington, and Shelley Moore helped the team establish a 16-5 record. Although injuries hampered the team most of the year, all returned for the remainder of the season, except Carolyn Siefert, who suffered a broken ankle.

Golden Wrestling Peter Yee

Wrestling co-captain Peter Yee was chosen Golden Wrestler for 1978. Peter was the only Fairview wrestler to place in AAA State Wrestling two years in a row. He showed both good sportsmanship and leadership throughout the year. During the 1978 season he finished with a 27-5 record and earned 4th place in state competition.

This year's team hampered by the loss of graduating seniors, made a good showing in the Centennial League, perhaps the toughest league in the state. The Knights were led by seniors Dave Smith and Bill Graham and juniors Jim Irwin and John Thomas. Coach Rich Kleine's swimmers gallantly represented Fairview High School.

Fairview's wrestling team finished the season with a 6-4-1 record in dual meet competition. They defeated number two ranked Smoky Hill 24-21. This year's captains were senior state contenders Peter Yee and Bart Woodiel. The other returning seniors were 105-pounder Mike Ladd and state contender 119-pounder George Smith. Next year's team should be a strong one, led by returning juniors like Gary Pollock and Leister Bowling.

J.V.

As usual, Fairview's Junior Varsity basketball team proved themselves one of the best J.V. teams in the state. The team was well balanced, and many of the players participated in varsity games. Coach Boyd Pickens led the team to victories against old rivals Cherry Creek and Boulder High, demonstrating FHS supremacy.

Varsity

The Fairview 77-78 varsity basketball team came away with an impressive year considering the unfortunate problems that plagued them. Starting with only one returning letterman, the Knights were learning and rebuilding. Early season wins earned the Knights a spot in the top ten rankings. The late start of Jeff Raikes and Jim Pollard after the football season added an extra scoring punch. Then injuries to Dave Lawrence and Kirk Rathburn hurt the team's potential. The Knights came back showing poise and determination, staying in contention for a playoff berth

Fairview's Sophomore basketball team showed great potential for a future version of a varsity team. The year started out well as the baby Knights were paced by the scoring of George Boedecker and Jeff Humphrey. Coach Phil Klimer's team dominated the league as they recorded a well-earned winning season

Soccer

The Fairview Soccer Club finished its season with a record of 7 wins and 3 losses, including the City Championship. Captains Sala Haider and Octavio Perez dominated mid-field play, while Dan Noyes admirably tended the nets. On the front line, Chris Dykstra and Phusc Pham generated offense and goal-scoring. The team had plans for winter indoor soccer, spring competition in a Denver league, new uniforms, and caravans to see the Caribous of Colorado play in Mile High Stadium in the spring.

Intramural Basketball

Intramural Basketball is an athletic program at Fairview which is open for all students to participate. Students form their own teams, with a team name and captain, and are sponsored by Coach MacArthur. The non-structured atmosphere of intramurals is appealing to athletic students who would rather not endure the pressures of varsity sports. This year they met on Monday and Wednesday evenings for about one and a half hours each night

Golden Football

Jim Pollard

This year's Golden Football award was given to Jim Pollard for his outstanding performance and leadership for the Knights. He also received a "Golden Helmet" award and was voted captain by his teammates. Jim worked hard throughout the season, while maintaining a 3.0 grade point average. He has earned great respect from not only his coach and team, but from his football fans as well. Best of luck to him in his future years of football!

Senior Women's Club was an organization open to all senior women at FHS. It functioned primarily as a service and social organization. Meetings were held Tuesdays 8th period, and activities included bake sales, and a baseball game against Boulder High's Women's Club (which Fairview won.) Pam Meink served as President, with Trudy Swanson, Secretary, and Betty Chung, Treasurer. Mrs. Nauenberg acted as sponsor

Rowdies

In a school the size of Fairview, there is a lot of student body support, with quite a few cheerleaders, pom pom girls, and, of course, Pep Club.

But the most well-known athletic supporters are the Rowdies, a group of enthusiastic, ecstatic, and sometimes even hysterical seniors who kept Mr. Mitchell on his toes at and after the games. This year's crew was the best crop ever raised at Fairview.

Key-Keyette

Although the Key Club did not sponsor an annual Turnabout Dance, they were still very active in other areas of school activity. The Key Club is an organization to help people less privileged than others. Besides being involved with school-oriented projects such as the Winter Ball, rummage sales, car washes, and other fund-raising projects, members are also community-oriented. Members rang bells for the Salvation Army during Christmas time, participated in the City of Boulder's Eco-Cycle program, helped on the Defensive Driving Program, and other projects. Two of the Key Club's main goals were to attend the District Convention in Denver, and then the International Convention for Key Clubs in Miami. This year's Key Club Sponsor was Ms Marcie Tallman

F.B.L.A.

Despite the fact that they only have sixteen members, Fairview's FBLA has been one of the school's busiest clubs. The highlight of FBLA's year occurred on January 14, when the club members attended a district contest in Broomfield. At the contest, Fairview students competed in various office skills including filing, typing, job interviews, accounting, shorthand and public speaking. FBLA members also participated in a fall leadership conference and had several guest speakers appear at their school meetings throughout the year. The many fund-raising activities the club held during the year went to pay for an employer-employee banquet at the end of the year. Students who worked in an on-the-job training program invited their employers to the banquet. Ms. Peggy Cook was the club sponsor.

Baby Club

Baby Club was born this year after Coin Club passed away right before the last yearbook deadline. Sponsor Mary Ann Beaudoin commented that the real success of the club was due to the fact that the members were interested in many of the same activities and attended the same classes. Favorite subjects included Crawling 101, Screaming 204, Soiling 312, and Teething 436. Club members participated in several rather riotous "eat ins" and one diaper derby after consuming massive quantities of Gerbers Nutriment.

This year's photography club at Fairview called themselves the "View Finders". Members learned basic camera and darkroom procedures, including film developing and printing. The club worked towards raising money to purchase another enlarger and more darkroom equipment. Some of their activities involved taking pictures for various organizations, photographing students with the faculty Mr. and Mrs. Santa Claus, and going on occasional photographic "safaris", (to capture the true illusive image.) Russell Croop organized the "Finders" and its officers were Tim Vasicek as Vice-President, Rolf Tschacher as Secretary, and Carol Buller as Treasurer.

Principal Keith Chambers was promoted to head of Secondary Education, Boulder Valley Schools, for second semester.

Associate Principal William Van Howe became Principal second semester.

Principals

After eight years at Fairview, Principal Keith Chambers left to assume other duties at Central Office. Associate Principal William Van Howe was chosen as Principal from a large field of candidates and did an excellent job. Many of his former duties were assigned to Mrs. Cheryl Dorsey, who was a capable addition to the administrative team second semester.

Ron Mitchell, also new to the staff, coped well with his responsibilities. Another new face was Jerry Faulkenburg, who put aside his sliderule for sterner stuff.

Assistant Principal Ron Mitchell was Athletic Director and supervised the physical plant.

Dean Jerry Faulkenburg handled student discipline. But he had a hard time figuring out who painted his office fuselage.

Assistant Principal Intern Cheryl Dorsey was a dynamic addition to the team second semester.

Assistant Principal Larry Danielson dealt with attendance and class scheduling, and survived registration again!

Lance Dedication

The LANCE staff is dedicating the 1977-78 book to Dr. Keith Chambers, principal of Fairview for the past eight years, who accepted the position of Executive Director of Secondary Education for the Boulder Valley Schools next year.

As a teacher he challenged the inquiring mind and showed compassion and understanding for the less searching mind.

As a school administrator he was fair, honest, and flexible. He listened to both sides of the issue and then made his decision. Coping with the new building, modular scheduling, and open space were only a few of the problems which he faced.

As a man he has shown integrity, honesty, and compassion to all those around him.

He is a truly dedicated teacher, a good administrator, and a fine human being.

Ruben Flores died December 15, 1977. Those who knew him felt a great loss, for although he was a quiet person, Ruben was filled with zest for life.

SMILE You're on Candid Camera

Always on the move!

Yikes! My, the test is

It sure is long and how long

Good morning

And when you get a little tired

"I hate tests!"

The three musketeers?

Hi there, Mr. West

Hi there, Mr. West

Hi there, Mr. West

Is this really sick?

Comfortable enough Dave?

Fairview's Finest

Ever since Henry Ford rolled out the first Model T, cars have played an important part in the American life style, and even more so in the life of the American teenager. Cars were meant solely for a means of transportation, but teenagers thought they should be more than that. They thought a car should have style and class, and be representative of their personality. Here are just a few of the personalities around Fairview

P. Westover's '73 Fairbird

F. Shaff's '76 Trans Am

S. Kyster's '74 F 2.0

G. Manther's '71 Tradesman Van

B. Sluman's '72 Corvette

J. Pollard's '74 Jeep

G. Killipian's '75 F 250

Remember

Key, the first of the three battles won by the
class, was a close one. Thursday night, the
team of the first sophomores won the first
battle. Most everyone else as they may
remember, and Oklahoma's snow. The
first battle was won by Mark Hubert Humphrey
for the first time in all of the year. The
first battle was a tie in the Super Bowl.
The first battle was a good one. How to know
the first battle was a good one. The first battle
was a good one. The first battle was a good one.

The first battle was a good one. The first battle
was a good one. The first battle was a good one.
The first battle was a good one. The first battle
was a good one. The first battle was a good one.
